

Colours

Our range of acoustic wallcoverings have long been favourites within the education, commercial, and hospitality industries to help reduce reverberation, and create more productive environments.

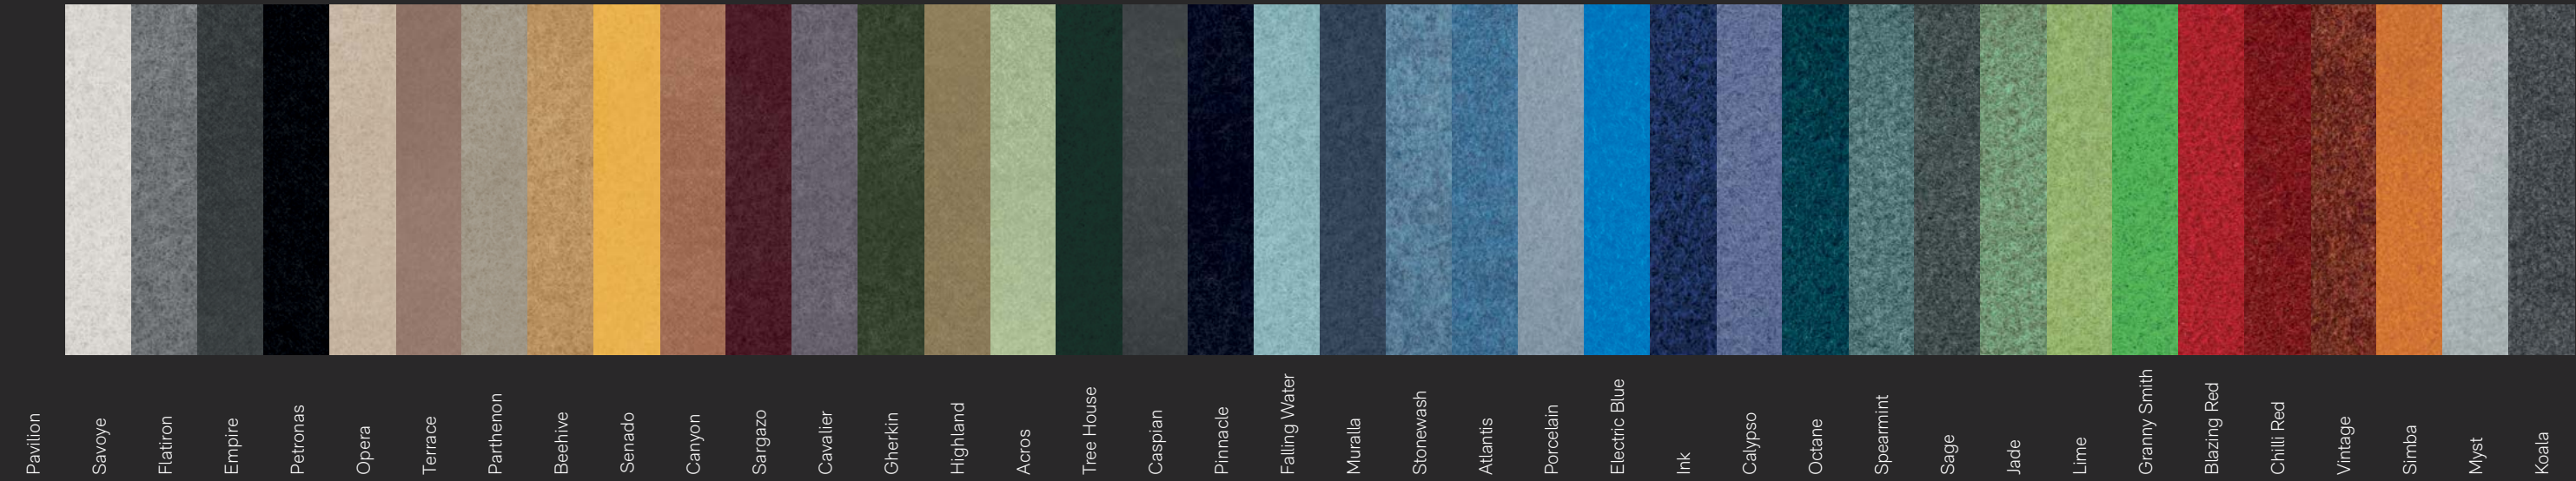

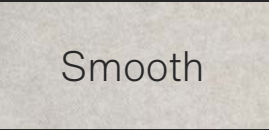

To ensure you have the most relevant colours for your projects, we are refining our colour ranges. Selected colours are now available across multiple ranges.

Cube™

21 colours available for Cube™, Horizon™, Vicinity™, Frontier™, Accent Ceiling Tiles, Grid Ceiling Tiles, Cascade™, Cove™, Lattice™, Lanes™, and Groove™.

One finish available:

Vertiface®

38 colours available for Vertiface®, Composition®, Symphony®, 3D Tiles, Groove Duet™, and Vertiface faced Quietspace® Panels.

Two finishes available:
